

## Late Model Handicap Outline

### Thunder Road Weekly

**Heat Races:** Lined up by handicap in heats (number of which are dependent on car count). The heats will be layered with low, middle, and high handicapped drivers in each heat.

Registered Rookies/New Drivers are required to start at rear of assigned heat for the first three (3) events or until *approved* to assume handicap position.

**Note:** First event of the season will be lined up in reverse order of the previous season's final handicap or ACT's +/- system if special event.

**Consi/B-Feature:** Non-qualifiers from the heats *may* be lined up in either a Consi and/or B-Feature according to finishing order (in relation to qualified cars) of alternating heats. Qualifying positions from these races *may* allow a driver to assume their handicap position in the feature.

**Feature:** Cars are lined up based on handicap (low on pole) per qualifiers from heats, Consi(s), and/or B Feature. Positions qualifying to handicap will vary depending on car count. Cars not qualifying to a handicapped spot will line up behind qualified cars according to finishing order of B-Feature, Consi(s), or Heats.

\*(New drivers may start at rear of qualified spots, or rear of feature until approved for handicap.)

**Note:** *Previous week's winner can start no better than 10<sup>th</sup>.*

**Handicap:** Will be based on a driver's finishes in the heat and Feature (B-Feature for non-transfer drivers). Handicap will include all points earned during the four (4) most recent events of the current season plus penalty points for missed events (see below).

**HC Values:** Heat: 10, 8, 6, 5, 4, 3, 2, 1 for all starters  
(**Note:** +/- events do not award heat points)  
Feature: 75, 68, 66, 64 with -2 declination to 24.  
B-Feature: 30, 28, 26 with -2 declination to 12. Non-transfer positions only.  
DNQ/TOW: 12  
Missed Event: 95 (equal to heat and feature win plus 10)  
DSQ: 95 minimum (missed event). Additional penalty may be imposed.
